Bio

Inspired by life itself, Ben Euerby finds music everywhere and everyday in his life. Having studied Composition under the direction of Leo award winning composer Don Macdonald at Selkirk College Contemporary Music Program Ben has been writing music for Film and TV for 15 years now. Some of his most notable work are the 9 part TV Documentary series “Dreamer’s and Dissident’s” (2015 - Knowledge Network), and the feature length documentary “Defensora” (2012) which Ben was nominated for an ‘International Music and Sound Awards’ for. Ben Euerby hones his skills with each new film, and with that that his passion for writing music continues to deepen.
